

Dear Friends,

As 2016 is well under way, we at His Hem Ministry wanted to take a moment to introduce you to this amazing, relatively new ministry. We are locally based in the Greater Sacramento, CA area, a nonprofit 501c3 whose primary focus is the placement of Bible workers in every church where there is need and a driving desire for the lay-worker.

HHM began in 2013 with a dream from founder, retired Administrative Pastor, Harold White. His dream was to fill a desperate need within almost all Adventist churches today, the need for Bible workers.

Across America and the world, there are wonderful training facilities for those interested in learning more about the Bible and potentially becoming Bible workers. As we know, conferences do not hire Bible workers any longer and many graduates return home and to their former occupations. That is where HHM comes in; we become their bridge between their church, their graduation and funding.

The end of 2015, we had the joy of presenting His Hem Ministry to the Amazing Facts Center of Evangelism, or AFCOE, graduating class. We are currently fundraising as four trained and ready Bible workers came as a result of that presentation. We currently have three part-time Bible workers. We need more Bible workers.

That is why we come to you today. We know the Lord is coming very soon and that there are many who are yet to be taught the loving salvation He wants to provide. Yet to hire the Bible worker, we need your help.

HHM Bible workers had almost 30 baptisms in 2015 and it is our hearts desire to see that number increase.

It is time for His Hem Ministry to grow. Will you help?

His Hem Ministry, POB 2526, Citrus Heights, CA 95621

There are three ways you can help today. **1)** Pray! As we enter the very last days of earth's history, prayer is the greatest need amongst those looking for Christ's return and the workers that are in the field right now need your prayers. **2)** Spread the word about this unique ministry. There are so many counterfeits in our world that a ministry, such as HHM, with funds going directly into soul winning is very refreshing. Your donations at work, right now. **3)** Donate! Maybe you've been looking for a way to help God's work advance and didn't know exactly what you could do. Maybe you're working for the Lord now and want more ways to spread the Word so Jesus can come sooner. Either way, your donations make a difference.

We are at the pivotal and precarious end of time and in need of Bible workers yet in many more churches. In Hosea, the Lord reminds us that His "people are destroyed for Lack of knowledge." We are asking you to help us turn this phrase around for as many as will hear through the Bible workers the Lord is raising up.

Review and Herald, June 27, 1912 clearly states how this ministry operates. "House to house work will be done by men and women who realize that they can labor for the Lord because he has put His Spirit upon them. Christ will impart to them grace, which they will impart to others... There men who will send and be sent to win souls to Christ. In obedience to the great commission, many will go forth to work for the Master... These workers are to be strengthened and encouraged, and as fast as possible prepared for labor, that success may crown their efforts."

So we are reaching out to you for help. Can you help us expand this wonderful ministry? In 2015, people like you gave from their hearts and donations almost reached \$50,000 dollars. We want to double that in 2016. There is so much need. Thank you for joining with us in this endeavor. You really do make a difference.

Prayerfully yours,

His Hem Ministry
